BIO

Heather Braman is a painter who has been the Art Gallery Coordinator for Bosque Gallery since 2019. She holds a Bachelors Degree of Fine Arts in Painting from the University of Texas at Arlington. Her work has been shown extensively in the DFW area and she has won several awards in juried exhibitions. She also has her work in several private and permanent collections.

Since coming to Bosque Gallery she has shared her passion for student involvement & carrying out the gallery mission of teaching students professional skills to take into their art careers and their lives. She created the online presence for the gallery in 2019. She continues to curate and coordinate exhibitions of student and professional artists physically in the gallery.
